PTO / Sick Time

You are provided with Paid Time Off (PTO) for vacation, illness, and personal reasons. We encourage you to use your PTO benefit as needed to spend time with family and friends, pursue personal interests, relax, and recharge.

PTO begins to accrue upon completion of sixty (60) days of employment for all full-time and partially benefited part-time faculty & staff (non-Adjunct). This is a use-it-or-lose-it PTO policy, except where state law prohibits.

Team members are encouraged to plan their time off throughout the year and may request PTO in advance of accruals as follows:

- Less than 1 year employment = (20) hours in advance
- >1 year employment = (40) hours in advance
