

How Do We Measure Student Success?

We look at the data, including but not limited to:

ILO and PLO Data

Skills identified in Institutional learning outcomes (ILOs) and program learning outcomes (PLOs) are directly assessed throughout programs using embedded assessments.

Survey Data

- Alumni Survey
- Graduate Satisfaction Survey
- Post Course Survey
- Priorities Survey for Online Learners
- Student Withdrawal Survey
- Ad Hoc Surveys

Data Sets

- Graduate Rates
- Persistence & Retention Rates
- Time to Completion
- GPAs, Grade Distributions, Exams
